NARRATIVE:

Frank Magana is a documented gang member with an extensive adult criminal history that began at the age of 22. His convictions include possession of firearm by felon, knife weapons violations, evading a peace officer, multiple convictions for possession of narcotic controlled substances, terrorist threats, possession of controlled substances for sale, burglary, DUI alcohol with priors and controlled substances-place to sell. He has served multiple prison terms, the longest being a 4 year term for possession of a firearm by a felon. Magana was released from state prison to the supervision of the Los Angeles County Probation Department on February 21, 2016. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2016 after he absconded from post release community supervision (PRCS). Magana qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a knife weapons violation is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
